

To whom it may concern

Marnate 15th June 2023.

Subject: XIV amendment REACH regulations

Dear Sirs,

On 14th June 2023, The European Chemical Agency (ECHA) added in the SVHC list two new substances.

The full list of the 235 substances is available on the ECHA website.
echa.europa.eu/it/candidate-list-table

The Raro Chem products do not contain any of the substances present in the candidate list of substances of very high concern (SVHC) or recommended for inclusion in Annex XIV at the time of our supply to your company above the reporting threshold of 0.1%.

This information is provided in good faith and is believed accurate as of the date of this letter based on a review of current composition and information supplied by vendors. However, no warranty with regard to the information contained herein is expressed or implied and Raro Chem srl expressly disclaims any liability whatsoever howsoever arising from or in connection with this letter.

Yours faithfully

Carlo Rossi

RARO CHEM S.R.L.
